

# Fishermen Rally on Monday Dec 28 4-6 PM @ State Capitol

Last week the DLNR passed a new administrative rule to ban overnight fishing and camping on Kapapa Island. DLNR painted fishermen as seabird killers in order to collect kayak user fees from tourists visiting the offshore islands. DLNR is also trying to cast fishermen out of Kaena Point in order to collect camping fees from tourists. Because the Land Board does not regulate DLNR, we are losing one fishing spot after the other quickly and at a state-wide level! We must tell the DLNR to stop restricting overnight fishing and camping whenever they want. We need to shout out loud to DLNR:

## **Don't mess up with fishermen anymore!!!**

Your presence is crucial to send a clear message to DLNR that fishermen are tired of being the scapegoat and will not stand for it anymore.

Bring your signs such as:

1. DLNR lied to the public for money
2. Don't mess up with fishermen
3. We want fishing access
4. Overnight fishing and camping= fishing access
5. Don't sell out our land to tourism
6. Why tourists can visit, fishermen can't
7. Laura Thielen is a liar
8. Recreational Renaissance Plan B sucks
9. Against Administrative Rule Changes
10. DLNR proposed and passed laws by itself
11. Public hearings and testimonies were ignored

Public parking entries are located at South Beretania Street and Punchbowl street. Take Vineyard exit from H1 Highway and turn on Punchbowl street.

Let's meet at the Rotunda area of the State Capitol. Please bring your signs and bring as many people as you can. Those of you who have trailer boats may consider taking your boats with signs to circle around the State Capitol. For any questions, please email [fishingaccesshawaii@gmail.com](mailto:fishingaccesshawaii@gmail.com) or call (808)230-3035. We are looking forward to seeing you on Mon Dec 28. 4-6 PM.
